### ***Presidents Message.....***

Ten Lions attended the 4C-3 Convention in Sacramento on May 16<sup>th</sup>-18<sup>th</sup> and met with other Lions in the District. On Sunday after breakfast some of us returned to work at the Boat Show. When we were ready to close up I was blessed with at least eight people that helped us break down the Hot Dog booth, and all the tables and chairs. Lion Mike McGuire's crew helped him undue the Beer & Wine Garden. We had fellow Lions haul all of our equipment back to the storage building. Lions LaVan and Bob Domico ran the Hot Dog booth with lots of help from our Lion helpers and Leadership students. Lion Eddy McClelland built the stage, and removed it after the show. Lion Eddy picked up the picnic tables from Discovery Bay School and returned them Sunday after the Boat Show. Great job Lion Eddy and thanks for all that you do. Mikes Beer & Wine Garden was as usual a beehive with activities behind the bar and in front of the bar. Lion Mike great job. Lion Dick Peterson ran the soft drink booth with help from Lions & volunteers. Thanks Lion Dick. Lions Cindy Hardeman, Dave Ciruli & Jenny Ciruli ran the ticket sales and T-Shirt sales booth with the help of Lions Bill Hardeman & Bob Hulse, My thanks to you all. Lions Ralph and Howie again ran the counting house, thanks to Lion Carmen Martignetti and all the Lions who worked tirelessly all three days collecting money at the Gate. There are two people that I feel made this 25<sup>th</sup> Anniversary Boat Show successful. Lions Jeff Dawson for working tirelessly putting it all together and Cindy Hardeman for all her calls to get us Lions to come out and help success. ***Thank you for all the support you have given me through these past two years. Lions.....President Lion Bob***

# Joke of the Month

## Joke of the Month

The Company personnel director had carefully interviewed 38 people for the job of financial director. One candidate named Charles had stood out from the others. He was a graduate of one of the most prestigious universities and had a master's degree in business administration. He seemed fully aware of the latest accountancy techniques.

Charles was silent. "Thank you," he finally answered, "but how much is that per month?"

"Charles," the personnel director said at the third interview, "we've decided to offer you the job. And you're so well qualified that we're offering you a slightly higher salary than we'd mentioned previously. It'll be \$116,00 a year."

Charles was silent. "Thank you," he finally answered, "but how much is that per month?"
