Presidents Message.....

Recently I was helping my wife work on getting sponsors for baskets to raffle off during our Crab Feed. She got a list from Lion Bob Abbadie of some of the projects that our club has done in the past year. The bottom line is that we do a lot.

You all see some of the big projects like the Elementary School Speech program that we are sponsoring. But there are a lot more. At every board meeting we are donating to some very special projects. You know our club always helps the schools in Discovery Bay, but we help a whole lot more.

My point is this. We have a lot to be proud of in this club. We all know that the economy is tough this year and we are going to have to work harder so that we can keep up the good work. We can always use more help. So if you know anyone who might like to join the Lions, bring them to a meeting.

Our project for this month is the Crab Feed to benefit the Lions Center for the Visually Impaired. We still have tickets available. I know some of you are waiting for the meeting to see if you can win a ticket but how about your friends and neighbors. Ask them if they would like to attend.

Lion Bob needs to know how much crab to order. So be sure to be ready to buy your ticket at next Tuesday's meeting and get your tickets for your friends and neighbors at that time also. We need your help.

This month we will have Lion Dave Peters attending our meeting. He is running for Vice District Governor for 2009-2010.

One last note, what goes up must come down. If you saw someone going up and down the tree at the Discovery Bay Shopping Center that was Lions Jeff Conway & LaVan Bock taking off the lights. Thanks Lion Jeff & LaVan.
