PRESIDENT'S MESSAGE.....

Dear Fellow Lion's

Can you believe it??? I certainly can't. A whole year has gone by. I am not ready to be done as your president. I feel like I am just now getting the hang of it (Ha Ha). Well, actually, as most of you know I will be your President for the upcoming year as well. What an honor to be able to take what I have learned and be able to apply it for another term. I am really excited about that!!!

I would like to take a moment and reflect on the past year at some of the great accomplishments we have made as a club. I think the biggest accomplishment of all is our membership. We are now at 107 members. Wow! This has been such a great asset and help as we have had so many events and have needed so much staffing and help. It has been great to see all of the participation of the new members as well as our members that are there year after year, event after event. I would like to thank you all. I would also like to stay at this number and continue to grow. We also added a new event with the concert at the Yacht Harbor, our Golf Tournament was a complete sell out, and let's not forget the addition of our first annual Car Show.

At this time there are a lot of Lions who have not sent in their dues. I would like to remind everyone that this club works so well because of all of you. Please get your dues in as soon as possible. I would also like to remind everyone that Thursday June 16th is our installation dinner which is being held at Cornell Park. Many of you have not sent in your RSVP. If you have not, and intend on coming, please do not wait as we need a head count for the food, it will be a great time for sure. And, we will be inducting 3 more new members and have our District Governor Dave Peters there for the festivities.

This upcoming year will be a special year, as we go through the year Honoring a Person who was a true Lion. Jeff Dawson you will be missed, but never forgotten. We will honor Jeff with every one of our events this year. Jeff, you are one of the people whom inspired me to give back and to what it meant to be a Lion. Thank You my friend. We will miss you.

President Wesley Olson

DEAR LIONS,

"We Serve."

"We Serve" is something that every Lion should say with great pride. However, our service to others is more than just a slogan or even a description of what we do.

"We Serve" is a commitment that Lions have, and that commitment defines who we are. We serve because we know we can change lives. We serve because we know we can make a difference in the world. We serve because there are needs to be met.

Our humanitarian endeavors are well recognized and stand as beacons of hope for all to see. Our service is a guiding light to our communities. In a world where many seem concerned with serving only themselves, we show our neighbors that hands-on service to others is one of the most rewarding experiences an individual can have. The simple truth is that serving those in need adds value to the lives of those we serve, and to ours.

Our efforts have helped Lions Clubs International be recognized as the world's largest service club organization. I am very proud to be a Lion and I thank you for all you do.

Best wishes,
Sid L. Scruggs III
International President

PLEASE PAY YOUR DUES!!

Lion Pauline Abbadie has mailed out letters for the Annual dues to the Discovery Bay Lions. The Annual Dues are \$65 and cover the period from June 1st, 2011 through May 31st, 2012. Dues will be considered delinquent by the end of this month. It is extremely important for our club budget as we still have a responsibility to Lions International for members that are delinquent.

***Joke of the
Month***

A school teacher injured his back and had a wear a plaster cast around the upper part of his body. Fortunately, the cast fit under his shirt and wasn't even noticeable.

On the first day of class, he found himself assigned to the toughest students in the school. Walking confidently into the rowdy classroom, he opened the window wide and sat down at his desk. When a strong breeze made his tie flap, he took the stapler and stapled the tie to his chest. He had not trouble with discipline that year.
